Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- *Creating a high quality teaching and learning culture reflective of high expectations in achievement, attendance and behaviour of students and adults.*
- *Developing effective and efficient school practices and programs which monitor improvement and ensure school-wide consistency in the teaching of reading.*
- *Improving the data literacy and analysis skills of staff in the use of student data to align teacher planning and pedagogical practice to the learning needs of students.*
- *Continue the development of a learning community supported through feedback opportunities, collective curriculum planning days and peer moderation of student assessment.*
- *Increasing teacher expertise and knowledge of reading comprehension strategies enabling a sharper and more effective delivery of practice across the school.*
- *Identifying support measures including: support from specialist teachers and teacher aides, targeting.*
- *Resources based on need, tailoring programs for individuals or groups and creating flexible learning spaces.*
