

Investing for Success

**Under this agreement for 2022
Blair State School will receive**

\$204,919*

This funding will be used to

- Increase the percentage of students achieving a C or higher in English and Mathematics.
- Improve student's ability to read and comprehend texts to successfully transfer knowledge to application within Maths, Science and HASS.
- Increased transference of reading skills to improve writing outcomes for students in English.

Our initiatives include

- Embedding a systematic and consistent approach to the explicit teaching of literacy.
- Consistent teaching and learning that is rigorous, purposeful and targeted.
- High quality differentiated practices within classrooms that support all learners to be successful.
- Embedding effective planning processes to meet our students needs through high quality classroom programs.
- Using data to plan, monitor and evaluate growth in student performance.
- Building the capacity of our teaching team through targeted professional development and coaching.

Our school will improve student outcomes by

- Employing Teacher Aides to support intensive teaching of reading within all classrooms (\$144,594).
- Fund teacher release for collaborative planning sessions each term (\$36,000).
- Employ Teacher aides for intensive intervention support in Prep (\$12,688).
- Purchase of new guided reading texts (\$11,637).
